About Me

A highly motivated individual and tech enthusiast with good problem-solving and communication skills.
One line that defines me is 'Never Give up'.

Projects

- ***Online Diary(2021)***

  Just like a physical diary, one can create an account, and for each day one can have a new page where they can write their day's experience.

  Languages and Technologies used

  HTML, CSS, Javascript

- ***LivFit(2023)***

  It was a landing page for a Gym, with a functional Body Mass Index calculator.

  Languages and Technologies used

  HTML, CSS, Javascript
